So I can use them on adoption flyers.
Hand me the photo-graphs once they're devel-oped. ♡

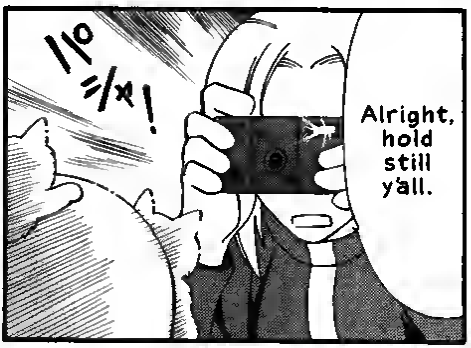
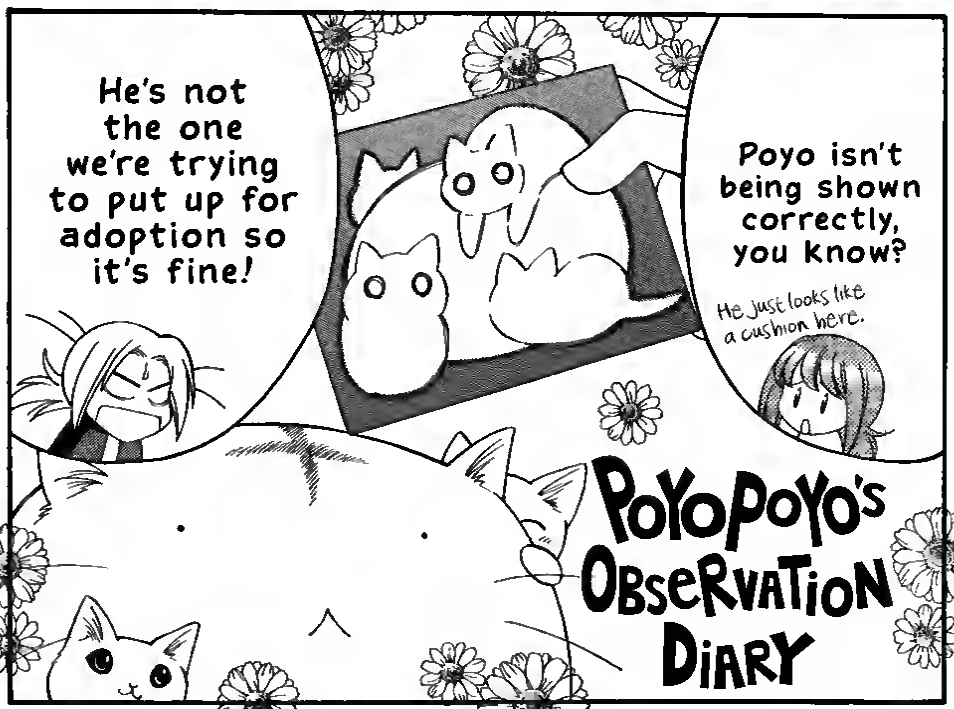
There's a glare since they're white cats.
WHEN THE PHOTO-GRAPHS WERE DEVEL-OPED...



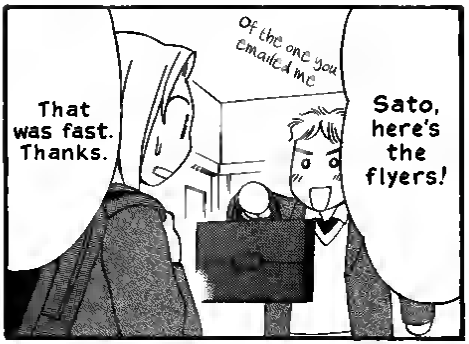
!!
Alright, hold still y'all.



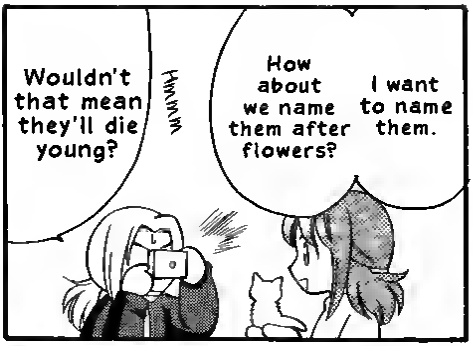
He's not the one we're trying to put up for adoption so it's fine!
Poyo isn't being shown correctly, you know?
He just looks like a cushion here.
POYOPOYO'S OBSERVATION DIARY

I want a camera so that I can take pictures for the adoption flyers.
We can use it for many other things!
Self-appointed Cameraman Hide
a motherly rounded cat (Male)
Sato Poyo,
I can't seem to take any good photo-graphs with this one.
Don't we already have a camera?
Mama, milk—
Breasts—
For the sake of these small kittens,
WE CAN TAKE PICTURES LIKE THESE!
BUT! WITH A DIGITAL CAMERA,
ピロリーン
Hey, you all—
the Sato family took great care of them,
Roger! ♥
Go buy one at once!
FUJI TWO
around and around the dock—
Unya?!

Bad stability

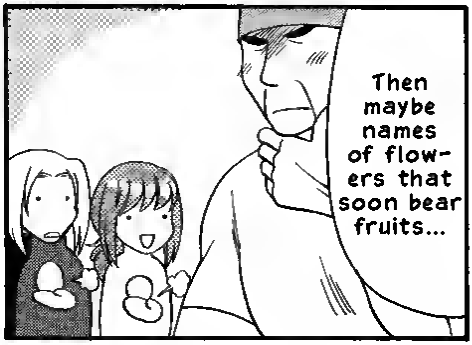


Sato, here's the flyers!
Of the one you emailed me
That was fast. Thanks.

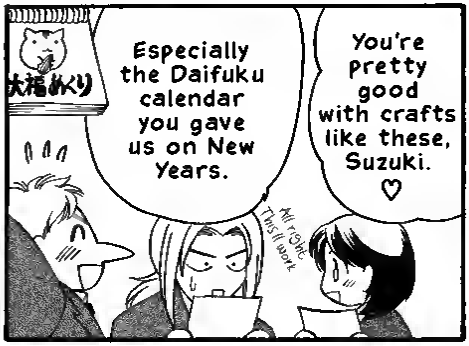


I want to name them.
How about we name them after flowers?
Hmmm
Wouldn't that mean they'll die young?

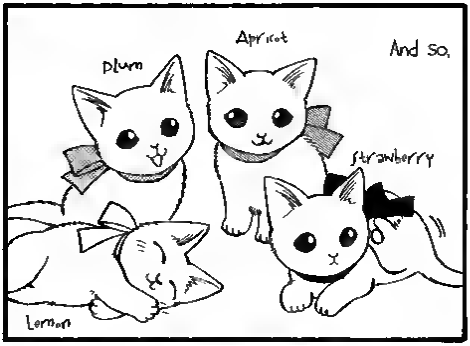
Whoaaa !!
Looking for proud new owners
Four female kittens
Potty trained
Healthy, well behaved
group of kittens.
It's so cute!



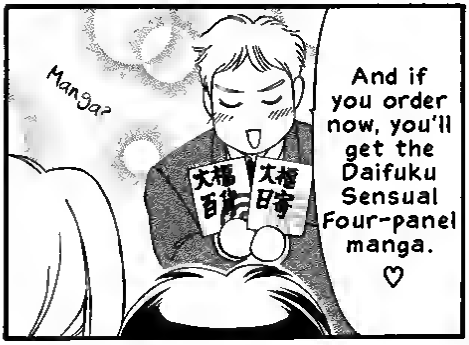
Then maybe names of flowers that soon bear fruits...



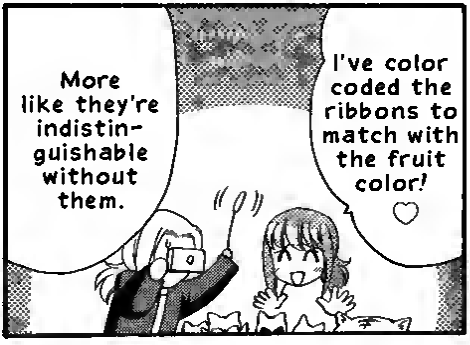
You're pretty good with crafts like these, Suzuki. ♡
Especially the Daifuku calendar you gave us on New Years.
大福めくり
All right! This'll work



And so,
Apricot
plum
strawberry
Lemon

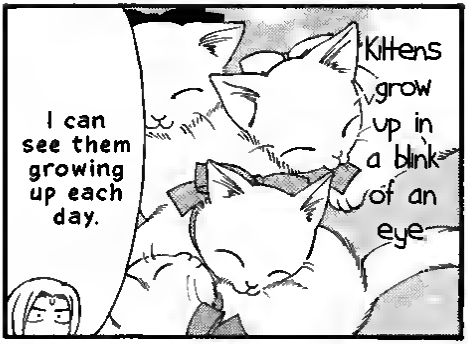


And if you order now, you'll get the Daifuku Sensual Four-panel manga. ♡
Manga?
大福百科
大福日常

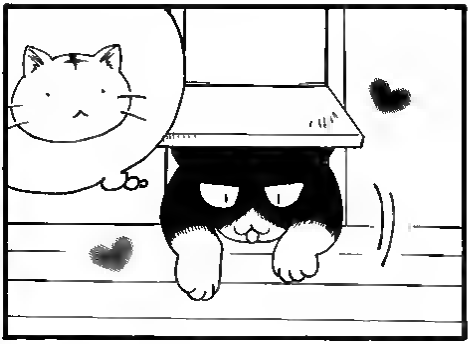


I've color coded the ribbons to match with the fruit color! ♡
More like they're indistinguishable without them.

Me too!
Me three!
Since you two already have pets.
Could the two of you take care of the kittens?
Me again!
Me four!
Is it yummy?
Kittens?
Is it yummy?!
Kittens?!
ワーーー
ドドドド
It's fine! I just wanted to ask in case.
IT'LL DEVOUR IT,
IT'LL EAT IT UP.
Uhm...
Sorry



I can see them growing up each day.
Kittens grow up in a blink of an eye



For Moe and Poyo, they suck their love,
Feeding them milk at four o'clock in the morning

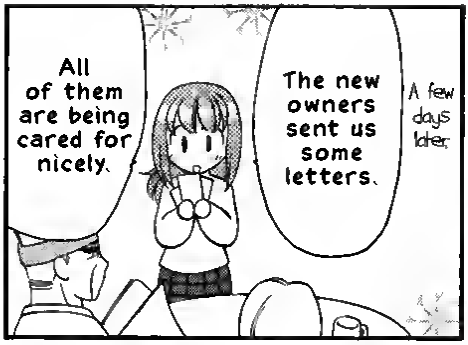
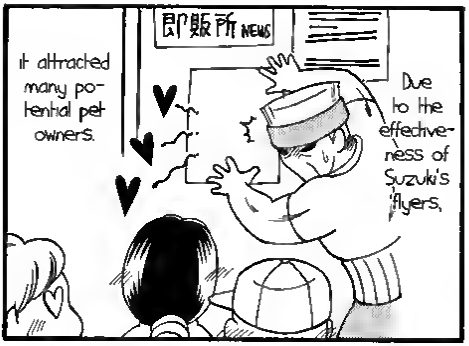
In charge of Moe's Nursing Meals
Raising a kid is almost like alchemy...
As for Hide, there's his blood.
Owwww

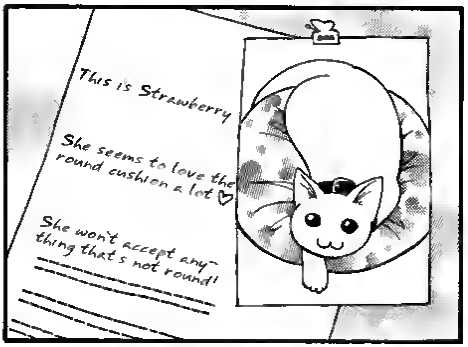
FATHER'S RESPONSIBILITIES
Oh, is Kuro-chan helping out now?



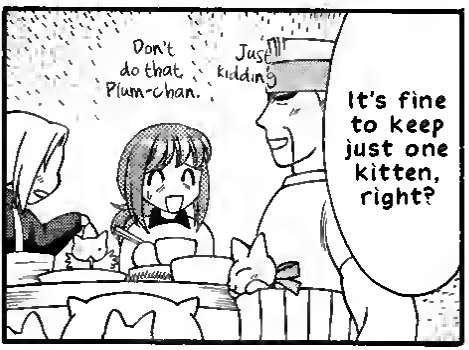
All of them are being cared for nicely.
The new owners sent us some letters.
A few days later,



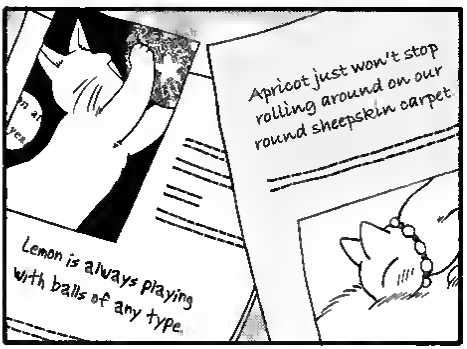
即販PET NEWS
It attracted many potential pet owners.
Due to the effectiveness of Suzuki's flyers,



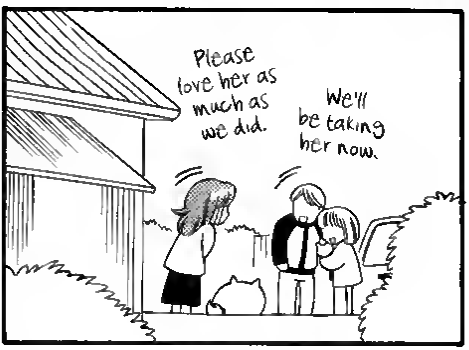
This is Strawberry
She seems to love the round cushion a lot♡
She won't accept anything that's not round!



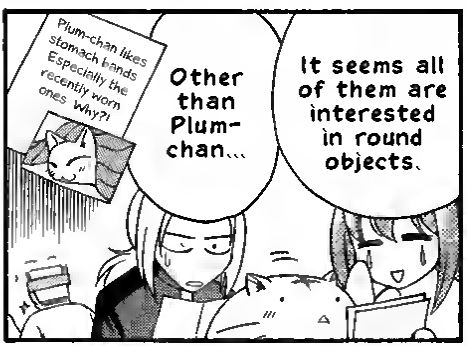
Don't do that, Plum-chan.
Just kidding
It's fine to keep just one kitten, right?



Apricot just won't stop rolling around on our round sheepskin carpet
Lemon is always playing with balls of any type.



Please love her as much as we did.
We'll be taking her now.



Plum-chan likes stomach bands. Especially the recently worn ones. Why?!
Other than Plum-chan...
It seems all of them are interested in round objects.
